For Friday; One Bound

PITMAN ADDRESSES NILES CHAMBER OF COMMERCE

Pointing out the danger of neglecting the development of children, Paul Pitman, member of Washington Union high school faculty addressed the Niles Chamber of Commerce Monday noon. The need of providing the children of today with moral and spiritual guidance was stressed by the speaker.

A. J. Petsche, secretary of the chamber, reported that it had been decided at the meeting of the Centerville Lions Club, where he acted as a representative of the Niles chamber last Wednesday night to first consult the township men's club before anything definite is done with the plan of a township community Christmas tree.

Announcement was made by President F. V. Jones that Dr. R. H. Bennett, member of the chamber who attended the University of Southern California-University of California football game at Los Angeles Saturday, will give the civic body his reactions to the contest at next Monday's meeting.

Interest in the outcome of the contest was high among many of the chamber men and Dr. Bennett's address is being looked forward to eagerly. As Dr. Bennett is recognized as being one of the many Niles rabid University of California fans, it is expected that his account of how the game could have been won by the Berkeley institution will be greeted with acclaim by a large number of the civic body who have already expressed the opinion that Coach Ingram's men are the superior team.

However, it is certain that a few members of the chamber will incline skeptical ears towards any comments by the doctor that will tend to add strength to the California cause, which already is being acknowledged as lost by many commentators.

Robert Blacow was chosen to arrange for next week's meeting.

SERIOUSLY ILL

Mrs. George Cox is confined to bed with a serious attack of illness.

A passing motorist discovered the machine burning and notified the Mission San Jose fire department who subdued the flames before the car was totally destroyed. No clue to the identity of the thieves was learned by officials.

J. HAL COPE IS MOURNED BY ALL IN PLEASANTON

Funeral Services Held at
Home on Main Street

One of Pleasanton's most popular and highly respected citizens passed away when death claimed Dr. J. Hal Cope recently at his home on Main street in that city after an illness of several weeks.

Dr. Cope was born in Farmington, Ohio, and was fifty-nine years of age at the time of his passing. He came to California thirty-three years ago and was a teacher at that time. He taught in the Sheridan school near Sunol and was principal of the Mission San Jose grammar school for a number of years.

He took up the study of medicine at an Oakland medical school, and in 1909 he went to Pleasanton and began his practice there in association with his uncle, Dr. W. H. Cope. He had been in service in Pleasanton for twenty-three years and had won a large circle of friends.

He was one of the active leaders in getting the Amador Valley high school started there and he served as president of the board of trustees since the organization of the school a little over ten years ago. He was interested in the advancement of the school and took an active part in all school affairs, being an outstanding speaker at all activities there and taking part in the graduation exercises by presenting the diplomas to the graduates every year.

Funeral services were conducted at his residence last Monday by the Pleasanton Masonic lodge, of which he had twice been master. He had been noble grand of the Odd Fellows and patron of the Eastern Star. He was also a member of the Druids, Foresters of America, U. P. E. C., and of the Rebekahs. The Masonic services were read by Hans Hansen, master of the Pleasanton lodge. Cremation at an Oakland columbarium followed the funeral.

He leaves his widow, Mrs. J. Hal Cope; three daughters, Mrs. Kathleen Savage and the Misses Carmine and Jean Cope; and two sons, Robert and Hal.

The pall bearers were Dr. Paul Dolan, of Livermore; Charles Schween, Jerome Arendt, T. H. Silver, Charles A. Gale, and William Graham, all of Pleasanton.

A number of his close friends acted as honorary pall bearers. They were C. L. Crellin, H. Reimers, C. Letham, Chas. A. Bruce, Judge W. T. Harris, Judge W. T. Donahue, H. N. Hansen, Henry Mohr, Claude Freeman, W. J.

LIVERMORE WINS CENTERVILLE PLANT CLOSE HOOP CONTEST

With Harry Sekigahama, speedy and sharp shooting forward out of the line-up on account of a badly infected tooth, Coach Jess Regli's Washington Union high school Class "C" basket cagers lost a close contest to Livermore last Thursday afternoon. The final score in the game played at Livermore was 25 to 18.

The loss of Sekigahama who has been the Washington mainstay all season was a serious blow to the Cornhuskers' opportunity for victory. The diminutive forward was confined to bed all last week because of the infected tooth, but was back at school this week and will be in the line-up this afternoon (Thursday) when Washington plays its last game of the Class "C" hoop season against Emeryville there.

The Cornhuskers started out strong in the class with Livermore and sank three field goals in the first minute of play to give them a lead of six points. But the Cowboys came back with vengeance and held a 14 to 7 advantage at half time. Although Washington trailed closely behind throughout the remainder of the game, Livermore was not seriously threatened.

Lauppe annexed high scoring honors for Washington, hitting the hoop for three field goals and sinking two from the foul marker for a total of eight.

For Livermore, Hachman, center, sparkled offensively, gathering a total of nine points, while Felix was close behind with seven.

Washington line-up and scoring follows: Fudenna (8), Nakagawara (1), Luppe (4), Masuda, forwards; Dusterberry (1). Withler, center; Brown (3), Kato (1), Masuda, Mune, Masuda, guards.

First Period Score Gives 18 to 13 Score at Centerville

Trailing by one point at the opening of the fourth quarter, Washington Union high school's fighting gridders staged a long smashing drive down the field in the final period to score a touchdown and annex their first league win this season with Emeryville high school as the victim Friday afternoon at Centerville.

The contest ended with the Cornhuskers on the long end of an 18 to 13 score, after they had made a serious threat to cross their opponents' goal line again before the final whistle.

George Geib, smashing fullback, and Frank Medeiros, hard-driving half, were the main cogs in Washington's victory Friday. Geib scored three of his team's touchdowns while Medeiros accounted for the other. Both boys tore through the Emeryville line for huge gains. Ed Rose also contributed considerable yardage on dashes around end.

The entire Washington line performed well and broke through repeatedly to smear Emeryville backs for losses. One of Emeryville's scores came from a long run, while the other occurred when the Washington boys were caught napping and failed to notice one of Emeryville boys lying down across the field waiting a "dead man" play. A forward pass to this player resulted in a touchdown.

Emeryville scored first after the game was only a minute old when one of the backs broke through an off tackle jaunt and romped thirty-five yards to cross into scoring turf.

Washington came back strong in the second quarter and began a seventy-yard march with Geib and Medeiros catapulting through the line for long advances and Rose sweeping the ends occasionally for gains that ended in a score. Medeiros carried the pigskin over for the touchdown. Try for conversion failed.

Late in the second period, a bad boot by Geib which went straight up in the air gave the ball to Emeryville on Washington's ten-yard stripe. It was at this stage that Washington was caught sleeping and Emeryville forward passed for a touchdown. The ball was carried through the line for the extra point, giving Emeryville a 13 to 6 lead when the gun barked for half time.

A vigorous tongue lashing by Coach Jess Regli during the half apparently put the Washington boys into a savage fighting mood as they lost no time taking possession of the ball at the opening of the third period and marching down the field for a score. Geib and Medeiros again were the contributing factors in the tally with their hard smashes through the line. Try for conversion again was unsuccessful.

With Emeryville still leading by one point as the final period opened the Cornhuskers were out for another touchdown and victory. They were not long in getting it. Led by Geib and Medeiros who crashed through the line for consistent gains, a drive of over fifty yards brought the winning and final score. Geib packed the ball over. Attempt at conversion from placement went wide.

The Deaf and Dumb School, of Berkeley, will form the opposition for the Cornhuskers this afternoon (Thursday) on the Centerville field. This will be the last game of the season for Washington and Coach Regli's boys are out to win and finish league competition with a standing of five hundred per cent.

Line-up Friday was Densmore, Fuller, center; Fuller and Wilson, guards; Sinclair and Harrold, tackles; Rivers and Silva, ends; Ramos, quarter; Rose and Medeiros, halves; Geib, full back.

Water, in Middle Ages, Drunk Only as Penance

In his volume, "The English Medieval Feast," William Edward Mead sets forth a myriad of curious facts about the eating habits of those valiant trenchermen, the Anglo-Saxons of the Middle Ages. Gastronomic habits of the period, he shows, were based more often on necessity arising from conditions under which they live than from national idiosyncrasies, but many of them survive in some form in the present-day recipes.

It is staggering to compute the amount of beverages (water excepted) that was regarded then as an average day's ration in a single household. At one feast lasting a week in the home of the Archbishop Neville, brother of the "kingmaker," for instance, the guests were provided with the equivalent of 13,000 dozen of wine and 75,600 gallons of ale, he states. The small household of the earl of Northumberland accounted annually for 1,100 dozen of wine and 42,000 gallons of ale.

Water in those times was drunk only as a penance, and was known commonly as "rot-gut stuff." Since sanitation was entirely outside the ken of the wisest of the age, and the quality of any water used for drinking likely to be extremely inferior, it was a wise enough precaution to ignore it.

Birds and the Bible

There are at least 200 references to birds in the Bible, says the American Forestry association. Although 113 of these references are to birds in general, 31 species of birds are named.

The dove and eagle, the one associated with gentleness and peace and the other symbolic of strength and courage and noted for the heights to which it can soar, are mentioned more than any of the others. Alexander Sprunt, Jr., writer for the American Forestry association, says that the dove is mentioned 35 times and the eagle 32. Other species mentioned by Sprunt, listed according to the number of times their names appear, are: Raven, cock, hen, owl, pigeon, sparrow, stork, pelican, quail, swallow, vulture, ostrich, zittern, peacock, cormorant, crane, partridge, osprey, osprey, kite, cuckoo, hawk, heron, night hawk, lapwing, glebe, swan and gler eagle.

All He Noticed

The usual crop of motoring cases was before the magistrates. "Is it a fact," said the chairman of the bench to a nervous looking witness, "that the defendant's car went round that dangerous bend at 35 miles an hour?"

"Yes, your worship," said the witness, "it was quite that speed."

"Now, sir," said the chairman, "would it be possible for you to tell the court what gear the defendant was in?"

The witness gazed in astonishment at the chairman.

"Well, now you're asking me something," he said. "But as he was traveling so fast I wasn't able to get a clear view of it, but I did notice that he had a bowler 'at on and a red scarf."—London Answers.

Game Is Eighth Without a Defeat so far This Season

The Amador high school eleven has played its eighth game without a defeat and with only one tie to mar an otherwise perfect record so far this season. In defeating Emeryville recently, the team failed to show the smoothness it did against Centerville, perhaps due to lack of practice during the week.

Frank Peters kicked off, and no college kick-off could have been better. The ball went over the end zone too high for anyone to even touch. Emeryville failed to advance the ball, and their kick was almost blocked. Amador again threatened, but was forced to kick, putting the visitors in the hole. Emeryville's kick was blocked by Gibson and recovered by Bloodhound Hughes on the ten-yard line. Captain Silva made six yards on the next play and Ed Nott carried the ball over for the first touchdown of the day. A pass, Nott to Silva added the extra point. End of first quarter—Amador, 7; Emeryville, 0.

The entire varsity was removed in the second quarter and the second team took the field. The two teams played on more even terms during this period. While the varsity stood on the sidelines, Emeryville threatened to score several times and those Dons that had just come out of the game did a lot of unnecessary worrying. For the quarter ended with neither team scoring. Score at end of half—Amador, 7; Emeryville, 0.

The starting lineup in the second half included the minute men and the varsity backfield and ends. Their reputation for letting the opposition score within a minute failed them this time as the little fellows are learning their football a little better. However, Emeryville got as far as the center of the field in that dangerous minute and the rest of the varsity rushed in to stop the attack. Emeryville was feeling that well-known urge and they made two more first downs against the full varsity before their enthusiasm was checked. From then on the Dons were in the saddle. It was here that the most perfect execution on a tackle play occurred. Nott, carrying the ball on a spinner, found three Bon backs and safety, while the line had made a ten-foot hole for him to get into the clear, for a fine run of seventy yards for a touchdown. Bob Silva bucked the ball over for the extra point. Before the varsity was removed, the boys again made a drive that ended with a perfect pass from Nott to Peters for the final score. The conversion failed. Score at end of third quarter—Amador, 20; Emeryville, 0.

In the final quarter, the second team again took up the battle and managed to keep the rooters, the coach and the varsity on edge by their hairbreadth escapes from allowing Emeryville to score. Flashes of good offense and defense by the little fellows would pull them out of the many holes they were always managing to get into. With a sigh of relief, the varsity again returned

KIN OF ADMIRAL BYRD DIES AT MASONIC HOME

Funeral services for Thomas F. Byrd, who died at the Masonic Home near Niles Tuesday of last week, were held Thursday at the Oakland crematorium.

Byrd, who was ninety-nine years of age, was considered an authority on the early California history according to the officials of the home. He came to California more than eighty years ago and had resided in the state up until his death. He is said to have been a relative of Admiral Richard Evelyn Byrd, famous South Pole explorer. No close relatives survive his death. Byrd also is said to have been an intimate friend of Acton Cleveland Meek, noted as a pioneer Californian.

Byrd was considered California's grand old man of Masonry. He had been a member of Gravel Range Lodge No. 59, F and A. M., of Camptonville, for fifty-nine years and was the first California Mason to receive the fifty-year veteran membership pin.

Car Hits Fence When It's Brakes Fail at Crossing

Drive. Escapes Without Serious Injury From Wreck

Because his brakes failed as he was approaching a railroad crossing at Bonita, on the highway between Pleasanton and Sunol, Fred Schacht, of Sacramento, barely escaped without injuries when he ran his car into the white fence near the crossing to avoid running into a train recently.

The car was badly damaged as the train caught the back end of it, but Schacht didn't receive a scratch.

Schacht was on his way home to Sacramento from Sunnyvale, where he had completed his work at a plant there as an iron worker, and he stated that he saw the train approaching from a distance. But when he went to use his brakes they didn't hold, and he was forced to run his car into the fence to stop. The car is being repaired at a Pleasanton garage.

MRS. EMMA MURRAY
Librarian

BY JACK TOWNSEND

Scoutmaster Pine, of Niles, received an award at the closing ceremonies of the Informer as a member of the Oah-wah Patrol. This patrol was the champion patrol of the 1932 Informer. It was led by Al Currier, of Troop 58, Oakland. The friendship and harmony in working as a unit was so intense among the twelve members that they are going to carry on by visiting one another in their respective troops and by having an overnight reunion on December 3 and 4 at Diamond camp.

Troop 2, Niles, has been cleaning the fall debris at the Scout house.

The Beaver Patrol, led by Bob Kibby, patrol leader, is leading the Rattlesnake patrol led by Patrol Leader Bob Solon by a slight margin of 300 points. The contest is being held by Troop 2, of Niles.

The Decoto-Scouts had a first aid instruction at their last meeting.

The Niles Troop No. 2 committee met Monday evening at the home of E. G. Brinkmyer. The ten-year plan and the Hoover award were discussed.

Plans are rapidly being made for the Washington district rally at the high school on December 2nd.

There will be a township scouts meeting Monday evening at 7:30 at the Niles Scout house. All members are urged to attend as there is some important business to be brought up.

A large number of members turned out for the meeting. About fifteen visitors from the Livermore circle were present.

Mrs. House was accompanied by a number of grand officers from the southern part of the state.

Following the business meeting refreshments were served. The tables were attractively decorated with fall flowers.

Pleasanton Turkey Shoot Held Sunday

Sportsmen of Pleasanton were given an opportunity to get a turkey for practically nothing at the turkey shoot held at the American Legion rifle range near Dublin Sunday.

The men shot with rifles at two hundred yards. They were given three shots at a disk and if they broke the disk in the three shots they were given a turkey.

Over fifty turkeys were ordered for the occasion.
